PROUD AND LAZY

[DOWNLOAD](#)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Tommy Woggs was a funny little boy. He was very proud and very lazy. He seemed to think he was a great man, and that other people lived only to serve and obey him. None of the boys and girls liked him, because he used to order them round, and because he thought himself so much better than they were. Tommy s father was a doctor, and a rich man. He could afford to have servants to wait upon his son, but he was not quite rich enough to spoil the child by letting him do as he pleased. There are some things that wealth cannot purchase. It will not buy wisdom, for all the money in the world would not teach a person even to perform a simple question in arithmetic. It will not buy the love and respect of others. Many rich men are hated and despised by nearly all who know them. So Tommy s father could not buy an education for his son, nor would wealth win for him the esteem of his companions. He must study like the children of poor people if he wanted to be wise; and he must treat them well, in order to obtain their good will.
