Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

FUNNY MONEY: IN SEARCH OF ALTERNATIVE CASH (NEW EDITION)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Funny Money: In Search of Alternative Cash (New edition), David Boyle, Until recently, the growth of alternative cash had been the province of big business: phone cards, stamps, air miles and Tesco's clubcard points all have purchasing power, yet are not cash as we know it. Now, locally created money systems like "time dollars", "Womanshare" and "Ithaca hours" are being invented by communities for communities. Boyle tells the story of this extraordinary revolution: he travels to the USA to visit the people behind local money systems; relates their vision of the future; and describes how to set up your own currency.
