Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.
(Prof. Corbin Hilll)

WELCOME TO JAPANESE: A BEGINNER'S SURVEY OF THE LANGUAGE

Tuttle Publishing, United States, 2004. Paperback. Book Condition: New. Original ed.. 226 x 150 mm. Language: Japanese, English. Brand New Book. This is a concise and user-friendly introduction to the Japanese language. Students, businesspeople or tourists will have a much more rewarding experience if they learn basic Japanese prior to or during their time in Japan. Using a self study resource is a great way to learn Japanese. In this book we would therefore like to demystify Japanese, to show how the language is formed and used, and to encourage you to pursue the study of it. Of course it has its challenges, especially with regards to the writing system, but we try to put these in a balanced context. And we like to think that, by describing the various facets of the Japanese language to you, we thereby empower you with a degree of knowledge and familiarity. Welcome to Japanese is not intended as a language learning textbook. Rather, it is an introductory description, comprising four parts: an overview; an account of how sounds are made into words; an account of how words are made into sentences; and finally an account of how the language is written. Naturally, in the course of these accounts we will introduce a range of beginner Japanese vocabulary, Japanese grammar, and Japanese script, which will be useful in a learning context. In fact, for those interested, we go into fairly advanced levels in the description of grammar. We give you example sentences for each grammar point, and try to make our description as clear as possible, but we stress again that we do not intend this as a teaching text. There are no exercises, for instance, and it's very much a case of going through at your own pace and dwelling on those...
