Now here am I, the smallest unit of Electrical resistance. What to me, Youd say, are systems of coordinates, Or spectral lines, or vibgyor or all The Morley-Michelson experiments Just this, the tiniest flash of energy, Started beyond the furthest reach of space, Makes ripples that will spread until the rings Circling in that black pool of time, will touch All other forms of energy and light. Everything is related, all must share Uncommon destines. The problem is To find the hidden soul, its with ourselves--Within ourselves, if we know where to look, A fourth dimension of reality. But let us take an instance: Someones shot. Where At Broadway and Forty-second Street. The place is fixed by two coordinates, Crossing at sharp right angles in a plane. But was it on the ground or in the air, Below the surface or the thirtieth floor Of that gray office-building Knowing this, Fixes the third dimension. But we must Still find a fourth to make it definite; Concretely, time. If then we trace the source And, having clearly mapped the physical, The soul. . . America. . . (and so on) The following list of meetings includes those of the N. E. L. A. and other organizations in which N. E. L. A. members may be interested, the latter being set in italics. Advices regarding time and place of all meetings scheduled will be appreciated by the N. E. L. A. so that records may...
