

Beyond Death: Empirical Evidence of the Human Soul

By Timothy Owe

New Falcon Publications,U.S. Paperback. Book Condition: new. BRAND NEW, Beyond Death: Empirical Evidence of the Human Soul, Timothy Owe, Do you have a soul? How can you know? Can science demonstrate its existence? What difference does it make? These are among the difficult and important questions at the heart of "Beyond Death". In the wake of the revolution of quantum physics, an increasing number of scientists have acknowledged the very real possibility of the existence of spirit or soul. The book sets out to prove the existence of spirit and its survival after death, not by appealing to some airy-fairy new age theory or religious dogma, but from empirical evidence gathered by qualified researchers from a number of scientific disciplines. Mind-matter interaction, research into healing and remote viewing, consciousness at the cellular level, near-death experiences and biological evidence of reincarnation are among the many perspectives from which this crucial subject is explored. What does this mean to you? Imagine it is after your 'death' and you are looking back on this, your past life. Ask yourself what kind of life from here onward would please you as a spirit? What personal challenges met, fears overcome, actions taken and deeds done...
