- For as long as she can remember, Cat has been blissfully happy living with her grandmother - a famous psychiatrist who chain-smokes and rides a Harley Davidson. She calls her "Granny the Pag" a name made up in childhood when she couldn't spell 'pig', but which has now come to mean someone powerful and clever.

When Cat's parents decide that at long last they want her to live with them, she has to fight as cunningly as any Pag to stay where she is. 180 pp. Englisch.
