This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Summary: Gene Garrison spent a terrifying nineteenth birthday crammed into a muddy foxhole near the German border in the Saar. He listened helplessly to cries of wounded comrades as exploding artillery shells sent deadly shrapnel raining down on them. The date was December 16, 1944, he was an assistant gunner in a .30-caliber machine-gun crew with the 87th Infantry Division and this was his first day in combat. Less than a year earlier, he had taken the first steps in charting his future, entering college as a fresh-faced kid from the farmlands of Ohio. Now, as the night closed around Garrison, slices of light pierced the darkness with frightening brilliance. Battle-hardened German SS troopers using flashlights infiltrated the line of the young, untested American soldiers. Someone screamed "Counterattack!" In the maelstrom of gun fire that followed the teenage Garrison struggled to comprehend the horrors of the present, his entire future reduced a prayer that he would be alive at daybreak. From those first frightening, confusing days in combat until the end of the war five months later, Gene Garrison saw many of his buddies killed or wounded, each loss reducing his own odds of survival. Convinced before one attack that his luck had deserted him, he wrote a final letter to his family, telling them goodbye. Garrison gave the letter to a buddy with instructions to mail it if he died. From the bitter fighting west of Bastogne in the Battle of the Bulge to the end of the war on the Czechoslovakian border, Garrison describes the degradation of war with pathos and humor. Gene Garrison's story is told through the eyes of the common soldier, a man who might not know the name of...
