## Brain Teasers

By Ravi Narula

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Although it is known that God is not equally kind to all of us while allotting to us our share of the dirty looking substance called grey matter, it is equally well-known that it is the environment in which one grows, the way one is taught to use one's brain and adequate brain exercise that have a greater impact on its development. So here is the chance to catch up with others because here in your hands lies the book that will offer you a large variety of thinkers of ticklers and teasers, of squeezers and strangers, that will turn and burst your brain, churn it around and kick it about till all the space in your skull is filled with it. Laid out in this book are twenty one chapters, each having six problems. Moreover the title of each chapter, a well known proverb, is connected with one of the six problems therein and it is left to you to find this connection. You would find great variety in these problems and sparked amongst these are the odd ones to add a touch of humour and to catch you from the wrong...
