

## Nonsense Books (Classic Reprint)

Filesize: 9.69 MB

### ***Reviews***

*Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.*

*(Melany Goyette)*

## NONSENSE BOOKS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Nonsense Books Perhaps the best monument to the memory of Edward Lear is to be found in the merry laughter which his works and drawings have excited amongst children whom he loved so well. He lives, and will continue to live, in the minds of the public as one of the great classical authors of nonsense. It is said that Dickens was wont to peruse carefully the records of births, deaths and marriages, in order to find names suitable to the characters in his novels. That he was singularly successful in the assortment of his names cannot be doubted. Although it would perhaps be difficult to assign any good reason for our opinion, we all feel that the character of the immortal Winkle could not, with any degree of onomatopoeic propriety, have been assigned to a man who spoke and conducted himself like Tupman, and that Mr. and Mrs. Murdstone would have behaved quite differently if their names had been Trotwood. Who, again - to put some extreme cases - would suggest that the names of Micawber and Heep, of Pecksniff and Tapley, or of Chadband and Bucket could be transposed without wholly altering the impression of the characters which we derive from the nomenclature? Similarly, the genius of the great nonsense authors - Lear and Lewis Carroll - is shown in their choice of nonsense words. Who can describe a Scroobious, or Runcible bird? Yet the man who does not at once grasp the fact that the outward appearance and special characteristics of these two birds must of necessity differ widely, will be wholly wanting in imagination.
